

Hello. If you're reading this, I may already be dead. GOD IF I HAD NOT WATCHED THAT DAMN VIDEO!!!

This is something that happened recently. I saw a new video by McJuggerNuggets. My other best is Violette1st.

The new video they uploaded was simply called "SWIFT SNAPS". The thumbnail was a painting that showed 2 old men eating. It's the only info that this video ever existed. I wish it hadn't.

When it started, it showed Jesse and Ashley going on a date (Nick as the third wheel) while Swift was staying to take care of Jenny, after they left.

Swift: Let's G00

What he did was unexpected.... I am trembling when thinking about it..... but.....

Swift fucked Jenny and he beated her. He then grabbed a giant knife and stabbed her at least 100 times. He then cut off her limbs and ate them. He then chucked Jenny's corpse into the oven, cooked it, and then ate it.

This went on for an hour. When the others got back, they were horrified at what they saw.

Jesse: SWIFT BRO YOU ARE FUCKING CRAZY!!!

Nick: I CAN'T FUCKING BELIEVE YOU FUCKED, KILLED, AND ATE JENNY!!!

Ashley: HOW COULD YOU DO THAT TO MY PUPPY?!?!

Nick loses it and tackles Swift and punches him in the face 20 times while Jesse and Ashley screamed. Swift ultimately overpowers Nick and stabs his neck with a knife, killing him instantly. He then pulled out a Glock-19 and shot Jesse and Ashley dead.

After that massacre, he grabbed the camera, smiled, and then the video ended abruptly.

I was just... scared. I had a feeling this was a prank, a cruel joke. But then this article said that Jesse was killed and I was scared out of my mind.

On October 3, 2020, Jeff Saxton Jr. had fucked, killed, and ate Jesse Ridgway's dog, Jenny. He then shot Jesse and his girlfriend to death. He was found hung in the house. Police pronounced him Dead On Arrival.
